

School Committee Meeting Minutes

Tuesday, 24 February 2015 at 7pm

Opening prayer

Committee Member Nominees

Fundraising 2015

It was suggested that a representative for each year K-6 to do the fundraising activity per term instead of relying on one person to do this. Each representative will report to the office for all fundraising matters and will be overseen by Jess. School committee last year never had a role in fundraising. Jess has been the fundraising co-ordinator. Previous school committee meeting was about distributing fundraising activities to other committee members. All members agreed and voted that each year will do the fundraising. Jess will oversee and offer support and advice. Bernie asked Anne to clarify if there was a fundraising committee. Anne had put it to a vote if anyone would wish to be the fundraising co-ordinator. Jess gave Christine guidelines for all fundraising events for the year. The chocolate drive other parents felt they were obligated to buy. It was suggested that a mufti day a term for fundraising. Jess has all fundraising stats from previous years and members wanted to know where the money raised went. Anne explained the poles in the playground were covered with rubber foam, repair to the soft fall and a rail. Anne will ask Jeanette to clarify fundraising revenue from 2014.

Members split into year groups to decide on fundraising allocations for 2015. They were allocated as follows:

Term 1	Table-a-thon	YEAR 2
	Easter Egg Raffle	YEAR 6
Term 2	Mother's Day	YEAR 4
Term 3	Father's Day	KINDERGARTEN
	Cent-a-thon	YEAR 5
Term 4	Disco	YEAR 1
	Christmas Raffle	YEAR 3

Mufti days will also be done once a term. It was suggested that the school does a St Patricks Day mufti (17th March) all students are to come in green.

Sport Shoes

Members wants to clarify if this school rule can changed as there are a majority of children coming to school in different colour shoes instead of predominately white. A member suggested if they don't wear white shoes they would have to come in full school uniform and miss out on sport as it is done in high school, other members agreed this is not fair. The school rule will be enforced for all parents to understand that the students will need to wear white shoes.

Canteen

Nicole questioned if the canteen had looked into online ordering, there is a program called Munch Express. Anne and Christine will look into this and discuss with the canteen.

School Bag App

Anne advised that the school bag app now has absentee forms for parents to sign.

Meeting finished at 8:10pm, next meeting to be advised.
